HEADSTONES

Beadnell Parish Council has a duty to undertake an inspection of all memorials in Beadnell Cemetery every 4 years.

If any memorial fails the inspection the Parish Council has to take action to make the memorial safe which is usually to lay the memorial flat.

The Parish Council does endeavour to make contact with families ahead of laying the memorial flat, if the Parish Council is in possession of contact details.

Seven memorials are being laid flat for safety reasons in the near future. Families have been informed where we have the contact details.

If you require further information, please contact Beadnell Parish Council Clerk
